OUR MISSION

Our mission is to provide the highest level of veterinary care not only to the pets that come into our hospital, but also the people who love them. As animal lovers ourselves, we understand the important bond you and your family share with your pets and bring that understanding to every interaction from the exam room to the operating room.

Cape Cod Veterinary Specialists is open 24 hours a day, 7 days a week for emergencies. From doctors to client care associates, our team is specially-trained to not only provide the best possible care to your pet, but also to help you through the process with compassionate, respectful, and clear communication.

We also proudly offer premiere specialty veterinary care for your pet in close partnership with your primary care veterinarian. Our specialists are board-certified in emergency & critical care, surgery, internal medicine, cardiology, ophthalmology, and anesthesiology.
